Trip home from hospital - 11 DAYS OLD

Our Trip Home Weston came for me at 3 o'clock  
with his mother and dad. Nurse Barbara  
Blain dressed our little son. Nurses  
Dot Smedon, Anne Wojna, Miss Rizzo  
watched the baby getting dressed. Anne  
Wojna carried the baby down to the car  
and George Eastman took movies of Anne  
and the baby. The trip home was quite  
exciting for me for it was the first time  
out in 12 days and it was the baby's very  
first time. When we got home we had to  
start in sterilizing the bottles and getting  
things ready for his meals.

How often now the doorbell rings  
Announcing friends or gifts and things  
Or messages to Baby dear—  
For everyone's so glad he's here.
